VOLUNTEER FIREFIGHTERS HAVE AN OCCUPATIONAL RISK. WE HAVE THEIR BACK.

DESIGNED BY FIREFIGHTERS FOR FIREFIGHTERS

Volunteer firefighters are local heroes to the communities they serve. This is why three major fire associations (AFDSNY, FASNY and NYSAFC) have come together with five sponsoring municipal associations (NYSAC, NYCOM, AOT, PERMA, Comp Alliance), to create a program that helps take care of the 110,000 volunteer firefighters and their families.

Thanks to guidance and feedback from fire services across the state, we’re now able to be there for our volunteer firefighters in their time of need, just as they are for us every single day.

In The Hartford, the associations have a partner equally committed not only to fire prevention, but also the wellbeing of New York’s volunteer firefighters through information and education. At the same time, The Hartford offers another level of support and service for your volunteers.

Our program can help municipalities:

• Promote recruitment and retention
• Improve the health and effectiveness of firefighters through information and education
• Send a message, loud and clear, of support and service for your volunteers

FIRE PREVENTION HAS BEEN THE HARTFORD’S CORNERSTONE SINCE 1810

Heroes in our history.

After a fire destroyed New York City’s financial district in 1835, the president of The Hartford, Eliphalet Terry, and his board of directors pledged their personal fortunes to help pay the claims.

Helping kids become everyday heroes.

To teach schoolkids the basics in fire safety, we founded the Junior Fire Marshal® program in 1947. Kids who complete the program gain knowledge that can save lives.
